

Putoline Oil

Press release

## Varied sponsoring portfolio for Putoline Oil

Almelo – March 5 – Also in 2013, Putoline Oil is the proud sponsor of many well-known riders. Both nationally and internationally known riders in motocross, racing and side car-cross will put their trust in Putoline Oil products the coming season.

In December 2012, Putoline Oil already announced the continuation of the cooperation with Allard Kerkhoven. In the past weeks, several names from the major disciplines were added to the list. Daniël Willemsen, 10 times world champion side car-cross, Steffi Laier, 4-time world champion motocross, Ten Kate Junior Team and the Britisch MX STR team; only a few of the names who will carry out the Putoline Oil colours.

In the various branches of sport in which these teams are active, Putoline Oil products have to perform under extreme conditions. This cooperation provides the lubricant manufacturer with a unique opportunity to test the products in actual practice and therefore gives them the ability to develop and innovate the products for even better results in the future.

### Putoline Oil, optimum performance

Putoline Oil is a leading player on the national and international lubricating oil market and concentrates entirely on the motorcycle segment. Putoline Oil is characterised by a top quality, attractive and complete range of products. Flexibility and the ability to respond quickly to market developments are of great importance. The range is always up-to-date and its quality is maintained by constant research and an innovative policy.
